Fundraising Activities & Guidelines:

The Aquabladz Committee will produce an Annual Fundraising Plan to be sent to all Club Members at the beginning of each Swimming Year

Aquabladz Club Members will register their preferred Fundraising Activities with the Fundraising Coordinator at the beginning of each Swimming Year

If circumstances change and a Club Member is unable to help at a previously selected Fundraising Activity - an alternative Activity can be selected - Email the Fundraising Coordinator

Failure to sign up for Fundraising Activities will result in no Club Contributions towards Swim Camps or Travelling Meets in the current Swimming Year

If a Club Member fails to help at their nominated Fundraising Activities with no contact made to arrange an alternative - this will result in no Club Contributions towards Swim Camps or Travelling Meets in the current Swimming Year

The Fundraising Co-ordinator will keep a record of which Club Members have helped at each Fundraising Activity

Committee Members will have their respective fundraising commitments reduced by 2 activities

FUNDING POLICY AS AT JUNE 2022

The club applies for funding to assist with away travel and accommodation costs. It uses this and fundraising money to help reduce the cost to the swimmer who has qualified to receive this as per the fundraising policy.

The money provided will be prorata applied, eg: if the swimmer is going to a 5 day event but only attends 2 days then they will receive funding for 2 days only.

The committee decides on how much per swimmer will be contributed from the club funds for travel and accommodation based on the what is available. These funds are paid to the Team Aquabladz entity which the swimmer pays their contribution to and the travel and accommodation is paid by Team Aquabladz.

The committee will review the policy after the AGM at the start of the new season.
